

'Ayuntamiento de Barcelona'

In the year 1929 a compulsory surtax was established for every letter, card and telegram sent from Barcelona and the villages within 40 Km. . On Febr. 1931 the rule was extended to the whole province of Barcelona.

Letters and cards payed a 5 cts. surtax: for the telegrams, the surtax was proportional to the main tax.

The surtax was intended for the Barcelona Fair.
